James W. Bawden Award Competition
Rules and Regulations

1. Only UNC-Student Research Group members are eligible for participation.
2. Either oral or poster presentations are acceptable.
3. Abstracts need to be turned in with the application for the judges to reference before the competition.
4. The judges will consist of 2 faculty members and 2 Student Research Group members who are not presenting.
5. The presenter will have 10 minutes to give the presentation and the judges will have 5 minutes to ask questions.
6. The competition will be held during the Dental Research in Review Day.
7. Student participants are eligible for both the Bawden Award and Turner Award competition if they desire to participate in both.
8. Judging criteria is based upon: subject matter; presentation; poster/slide design
9. Awards will be given to the 2 presentations with the highest cumulative score.
   • If an ill-proportioned number of undergraduate versus graduate students are competing, then all students will be judged together. The 2 highest scoring presentations will be awarded. \textit{EXCEPTION: At least one award must be awarded to an undergraduate student.}
   • If a well-proportioned number of undergraduate versus graduate students participate then the groups will be judged separately. Therefore, the highest scoring undergraduate student and highest scoring graduate student will receive the award.
10. The award will consist of a plaque and a monetary reward determined by the officers of that year’s competition.
